

Assistant Horticulturist Intern **(Seasonal / Temporary)**

Jordan Valley Water Conservancy District is seeking individuals to help maintain Utah's premier water conservation garden, Conservation Garden Park, and assist with related water conservation activities.

Job Summary: Excellent learning experience for those interested in horticulture, landscaping, conservation, and environmental science. Assists in maintaining, grooming, and cultivating the water conservation demonstration garden. This includes general horticulture maintenance, like pruning, watering, weeding, and lawn maintenance. It also includes the installation of new plants and irrigation as the Garden expands and areas are re-landscaped. Conducts tours, and helps as needed as a receptionist, and ambassador for the District's water conservation programs. Provides great customer service while interacting with and educating visitors on the importance of water conservation and sustainable landscapes.

Internship: Job can be used as an internship based upon college/university approval.

Job Requirements: Two years of college-level classes in horticulture or an equivalent degree preferred, but not required. Must have a general knowledge of horticulture and waterwise gardening. Should be comfortable interacting with the public to promote awareness and interest in waterwise landscaping. Strong customer service skills are essential. Must be able to work outdoors in all weather for extended periods.

Wage: \$16-\$19 per hour

Hours: Part-time and full-time positions (up to 40 hours/week) from March through October. Employment start and end dates are flexible based on the candidate's availability. Must be able to work a varied schedule including evenings, Saturdays, and some holidays.

For More Information Contact: Shaun Moser, Conservation Garden Manager, at (801) 565-4384 or shaunm@jvwcd.org

Apply at: <https://jvwcd.org/about/employment>

Closing Date: Applications will be accepted until positions are filled.

Background Check & Drug Screen: A pre-employment/post offer drug screen is required along with a driver's license record review.

Jordan Valley Water Conservancy District is an Equal Opportunity Employer

The District will not discriminate against any employee or applicant for employment because of race, color, religion, age, sex, national origin, disability status, genetics, pregnancy, childbirth, pregnancy-related conditions, veteran status, sexual orientation, gender identity or expression, political affiliation or any other characteristic protected by federal, state or local laws, and will ensure that applicants are employed, and employees are treated during employment, without regard to these characteristics.
